## Experience

**Austin Unknown Podcast**

**Spring 2019**

I was the team leader and host for a podcast for a capstone class. My team and I put together a series interviewing some unconventional Austinites. We successfully created three episodes featuring a witch, a paranormal researcher, and a mortician. We published them to Spotify and Apple Music.

**Austin Monthly Magazine Intern**

**August 2018–Spring 2019**

As an intern, I published an article for the print magazine, worked on fact-checking, and produced online content for their digital site. Articles I wrote include feature stories, listicles, and event blurbs.

**McCombs Communications/Marketing**

**August 2016–Spring 2019**

I work for the marketing and admissions team at the McCombs Graduate School of Business. I write articles for their online blog, *MBA Insider*, create print communications and flyers for their website, as well as take inventory and assist at various events.

**The Daily Texan Web Producer**
